9. BOARD ACTIONS:

Secretary's Report – October 9th – Board Meeting Treasurer's Report – October 2023

During Public Comment there will be three minutes per person. The Board cannot get into a discussion about an item. If the Board feels the item needs to move forward it will then be put on a future agenda. For clarification, a public member speaking will need to identify who they are representing; community member or GVM HOA Board member, etc.

- 10. Public Comment:
- 11. Director Comment:
- 12. Adjournment

Next Scheduled Board Meeting: Monday, December 11th, 2023 at 7:00PM

DRAFT

Glacier View Fire Protection District

1414 Green Mountain Dr. • Livermore • Colorado • 80536 October 9th at 7:00pm

Meeting was called to order at 7:00 PM

Board of Directors present: President Dave Burk, Vice President Warren Jones, Treasurer David Thompson, Director Steve Groeteke and Secretary Lee Lamb via Zoom

Fire Department members present: Fire Chief Dan Knox, District Administrator Cheryl Franz, Assistant Chief Jim Perry

Public members: 2

1. <u>Secretary's Report</u> - Report was submitted and made part of the Board Packet. The Secretary's Report was reviewed as submitted with the inclusion of the September 11th Budget Work Session.

President Burk moved to approve the Secretary's Report as presented for the Budget Work Session Minutes from September $11^{\rm th}$, 2023, as presented, and the Board Meeting Minutes from September $11^{\rm th}$, 2023. Treasurer Thompson seconded. Call for discussion. No discussion. All in favor. Motion approved 5-0.

The October Agenda will be corrected to reflect the addition for Board approval of the Budget Work Session and presented in the November Board Packet.

2. Treasurer's Report - Report was submitted and made part of the Board Packet. Treasurer Thompson noted the change in the P & L Detail, P & L Monthly/Overview which will represent transferred funds coming back into GVFPD Operating/Checking Account through the Money Market Reserve Account. These are funds that have already been received by the District at a prior date. He highlighted Checks Over \$1K: \$3,479.50 is for the IT Upgrade, the propane contract less the credit was \$3,828.51, 2023 FPPA contribution was for \$5,900, \$1,297.30 was issued to First Bank for various charges, most being used for training, fire hose was purchased from The Supply Cache for \$3,233.30.

President Burk moved to accept the Treasurer's Report as presented. Director Groeteke seconded. Call for discussion. No discussion. All in favor. Motion approved 4-0.

3. Chief's Report – Report submitted and made part of the Board Packet. The Chief's oral presentation closely followed the information in the Board Packet. In addition, the Chief reported on a meeting with representatives from Denver University (DU) regarding DU's plans to build a five to six bay facility on their mountain campus in the future. The meeting included conversation about options for collaboration with GVFPD, vehicles DU plans to house in their facility, and opportunities for DU to seek funding for firefighting apparatus. The Chief explained that these conversations were at a very early, non-decisional, stage. The Board discussed the DU meeting emphasizing that the meetings with DU were positive but preliminary and that no decisions may be made without approval of the GVFPD Board. The Chief also reported that DU has identified a "two-track" road that crosses private property, in Red Feather Highlands, from their land which might be used as an emergency evacuation route. DU is considering ways that the existing two-track road can be improved.

Other topics in the Chief's report included training for members including Larimer County Office of Emergency Management incident table-top planning and implementation exercises. This led to a discussion of the possibility for table-top incident and evacuation exercises at the GVFPD.

The parking lot grading, drainage, and hardening project has begun. Control of mice in the Station has been arranged through High Mountain Pest Control, a local pest control company.

The Chief's Report did not result in a motion and no action was taken by the Board.

The report from the Apparatus Committee was submitted and made a part of the Board Packet. An additional lease purchase was presented and will be included in the Board Packet. The Assistant Chief's oral presentation described the information received from several providers regarding potential contracts. He added that the Apparatus Committee will continue to look for used apparatus. Board members expressed appreciation for the quality of the information provided by the Committee. The Board discussed these opportunities including prospects for funding the acquisition of new apparatus, the need for a firm proposal and how the proposal will inform the 2024 budgeting process. This discussion did not result in a motion and no action was taken by the Board.

- **4.** <u>District Administrator's Report</u> Report submitted and made part of the Board Packet. The District Administrator's Report was presented as submitted. Highlights included the start of the generator project, noting that the fencing has been completed, and work will begin on Monday, October 16th for the installation of the generator. The IT Upgrade is near completion.
- 5. <u>Alliance Report</u> (Tom Hausfeld) Report submitted and made part of the Board Packet. Report presented as submitted. In addition, Tom proposed using the AIM grant to allow use of the Loveland air curtain burner which would be made available to surrounding communities. The alternative would be to pay Poudre Canyon Fire District for the use of their chipper. Board discussion followed regarding a FACA Work Session with Legal that would include all Board Members.

Vice President Jones moved that a Board/Attorney - FACA Work Session be set and posted as required when a meeting date is confirmed with Legal. Director Groeteke seconded. Call for discussion. No further discussion. Motion approved 5-0.

GVFPD 10-9-2023 Page 2

6. Committee Reports:

a. <u>Budget Committee</u> – (Fred Delano, Dan Knox, David Thompson, Cheryl Franz, Tom Hausfeld) The Budget Report was presented as submitted for the 2024 Proposed Budget. Fred noted the technical change in the FACA budget that increased the Budget \$500 and changed the carryover. The 2024 Proposed is for the current known valuation without the certified valuation that would result from the November election. Board discussion followed. There was discussion including an increase in Operations Training and a decrease in FACA Training, the 2024 Proposed Budget versus inflationary costs that might create an impact to the District for the next year, and the excess funds from the LC Valuation based on the outcome of Prop HH in the November election. The Budget Committee asked for direction from the Board on the potential excess funds from the LC Valuation for the District.

Director Groeteke moved to leave the FACA Training budget the same as last year, increasing the 2024 Proposed Budget by \$1,800. The motion died for lack of a second.

Vice President Jones moved to amend the 2024 Proposed Budget, which includes adding the \$162,655, current valuation, to both the revenue and carryover with asterisks and foot notes. President Burk seconded. Call for discussion. No further discussion. Motion approved 5-0.

President Burk moved to accept the 2024 Proposed Budget as submitted with amendment. Treasurer Thompson seconded. Call for discussion. No further discussion. Motion approved 4-1.

7. <u>Unfinished Business:</u>

Attorney Contact – Report will be moved to November New Generator – In District Administrator's Report IT Upgrade – In District Administrator's Report

- 8. New Business: No new business
- 9. Public Comment No Public Comment

10. Director Comments -

Secretary Lamb thanked the District Administrator for preparing the Secretary's Report due to his absence. He expressed his appreciation for the work from the Budget Committee and enjoyed the conversation. He stressed the need for concrete information from the Apparatus Committee that the Board can vote on.

Treasurer Thompson thanked the Apparatus Committee for their work and progress.

Director Groeteke agreed with Secretary Lamb's comments, thanking the Budget Committee, the Apparatus Committee for the hours they have put in, Operations, and FACA for the work on their activities.

GVFPD 10-9-2023 Page 3

(Director Comments - continued)

Vice President Jones thanked the District Administrator for setting up the meeting with Legal and sharing the information received from them, he is looking forward to the progress from the meeting and moving forward. Vice President Jones suggested that each department manager bring forth a 2024 action plan and needs from the Board at some point. This will be put on the November Agenda for Board discussion.

President Burk thanked everyone for their work and shared his appreciation for their performance.

BOARD ACTIONS TAKEN:

Secretary's Report – Board Meeting Minutes – November 9th, 2023 -approved Treasurer's Report – November 2023 – approved Board/Attorney – FACA Work Session - approved FACA Training Budget change – motion failed to pass 2024 Budget Amendment - approved 2024 Proposed Budget with Amendment – approved 4-1

Adjournment: President Burk moved to adjourn the meeting at 09:00PM. Treasurer Thompson seconded. Call for discussion, no discussion. All in favor. Meeting adjourned.

Respectfully submitted by Berton Lee Lamb - Secretary Cheryl Franz – Recording Secretary

Next Scheduled Meetings: Monday, November 13th, 2023, 7PM

<u>In-person – Station 1</u>

November 2023 Chief Report

- GVFD ran 9 calls in October. 6 Medicals, 1 MVA, 1 vehicle fire and 1 mutual aid for a wildland fire.
- Apparatus Committee: Will give an update at meeting. Please see handouts in board packet.
- Grant update: El Pomar will meet Dec 5th for the Stretcher/load system, so I should have an update on it next board meeting. Firehouse subs grant was already closed when we went to apply, so we will get our application in the next open period on January 11th for the UTV.
- We are planning on replacing handheld radios in 2024, we have approx \$40,000 for it. I have spoken to the Larimer County radio person about it, and we are getting some radios to try over the next few months from various manufacturers so we can make a decision on which to purchase in the 2nd-3rd quarter. No grants are available for radio replacement that I have found.
- Asst Chief Peter Henderson and I met with Larimer County and the GVM HOA. Larimer County will be working with GVM and RFH for slash burning this year, and GVFD will assist as available.
- The Parking lot grading project has cost \$12,500 so far, and improved our lot greatly. We are working on getting it to compact so we can any areas that still need filled, then the contractor will come out and add some material as needed. We are also going to extend the pipe at the entrance 10 feet for better turning access. I hope to complete it by the end of the year depending on weather, and should cost approximately another \$1500-\$2000 to finish the project.
- We are starting to see more Covid cases going into the winter. I believe that this will be an annual season, like the flu and cold season. We are monitoring, and will enact Covid protocols if needed. We already have PPE such as respirators, jumpsuits and masks ready to go if needed. We will be sending in one person (EMT) on Covid positive medical calls if we can, and we will try not to transport the patient to transfer to the UC Health ambulance unless needed. This will be determined by the condition of the patient and the necessity for quick transport.
- Trunk or Treat went well, although we had less people attend than last year. I believe the cold weather played a part in that. Thank you to all who participated, and our members who came and volunteered to help.
- The GVFD Christmas Party is set for Sunday, December 17th at 4pm at the DU mountain campus.

Respectfully submitted,

Dan Knox,

GVFD Chief

Cheryl Franz District Administrator Report November 2023 Agenda Item 4

a. Administrative -

Usual work product such as prepare Board Meeting Agendas & Minutes, phones, e-mails and correspondences, post/code/pay/mail/copy/file bills, make monthly bank deposits, prepare donation letters and insurance letters, reconcile Quick Books for GVFD Operating Account and Money Market Account. Made monthly Depreciation Journal Entry. Set up Work Session and prepared document for Legal.

Filings, postings, reimbursements:

- Set up new login on Colorado Department of Revenue MYUI for quarterly filing of payroll
- Filed all payroll quarterly taxes
- Paid quarterly firefighter/EMS call reimbursements
- Compiled and submitted a reimbursement packet to LC Office of Emergency Management for the reimbursement on the LC Fire Grant
- Worked with Tribbett Insurance on removing the old generator and building from our policy

Views on GVFPD website for September: 6,670

FOR DISCUSSION AND/OR APPROVAL:

1. November Election - Proposition HH failed to pass!! See attachment from SDA

2024 Proposed Budget was updated with asterisks shown on Budget Line Items that are affected by the LC Valuation with the \$162,655 funding. This was requested by the Board upon approval of the 2024 Proposed Budget at the October Board Meeting. See 2024 Proposed Budget attachment

BOARD INFORMATION

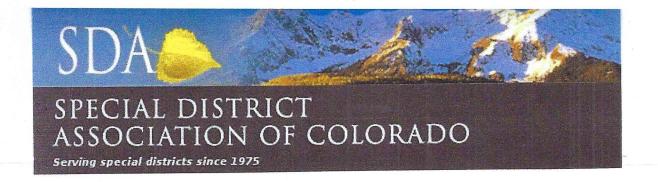

- a. **GVFPD Savings (Money Market Account)** In the past the GVFPD Savings Account has been accruing interest at .50% annually which has been approximately \$240 per month. After talking with our bank representative, I was able to switch our savings into a Liquid Asset Account that will earn an interest rate of 4.5% annually, which is approximately \$2,000 per month. The interest rate is adjustable. All interest will be applied to the Capital Equipment Plan.
- **b. IT Upgrade** The IT project is complete for the office and training room. We will continue to work on some final details. The last item for IT is the emails, which are still in process. The goal is to have the new emails up and running by the first of the year.
- c. Propane Contract Statement balance as of 10-15-2023 for Propane \$6,242.87

d. Grants -

- State Homeland Security Grant (SHSG) Generator The generator has been installed and is now up and running. I have signed off on the project. Collins Control monitors the generator, and they will be setting us up with a mobile app that we can monitor as well. Currently it is set to do a test run every Monday at 9:00AM. This project is complete.
- El Pomar Application is set to be reviewed on December 5th.
 Just for information: When submitting the El Pomar grant I had to show the grants GVFPD had received in the last 3 years, with one being a donation. Over the last 3 years, we have received approximately \$72,000 and GVFPD paying the difference of approximately \$32,000. See attachment
- e. October Agenda Update Submitted in Board Packet The October Agenda was updated to include the Board Approval of the Secretary's Report on the Budget Work Session. This was also updated on the GVFPD website. I also included the additional documentation from Assistant Chief Perry, that was given out at the Board Meeting, to the October Board Packet.
- f. Fall Newsletter I am working on a Fall Newsletter with Chief Knox and Tom Hausfeld.
- g. SDA Conference This is a reminder that the entire SDA Conference is online. If a Board member is interested in viewing any classes let me know and I can get you a link.

Correspondence/Donations – A check in the amount of \$4,060.97 was received from the Larimer County Treasury for the September 2023 tax period. We received \$383.28 in Air Evac membership reimbursements. No donations were taken in for October.

Respectfully Submitted, Cheryl Franz - District Administrator

PROP HH DEFEATED

Congratulations! Take a moment to enjoy this victory for local government. I wanted to take a moment to express my gartitude for your hard work and dedication over the past few weeks and months as we collectively addresses the impacts of Prop HH and engaged with decison-makers on this critical statewide proposal. Your tireless efforts in providing information and analysis to suppot your districts are greatly appreciated.

Currently, the next steps for proponents of Prop HH, including the Governor and sponsors of SB23-303, remain uncertain. However, I want to assure you that the Special District Association (SDA) is actively working alongside our local government partners to voice our concers and share our ideas with statewide policymakers. We have discussed alternatives that proect local government in the past two weeks. Our commitment to advocating and supporting the special district community is unwavering.

While challenges undoubtedly lie ahead, please know that the SDA stands ready to champion special district interests and support our members. Together, we will continue to work towards the betterment of our communities and the welfare of our constituents.

Thank you for your commitment, engagement, and dedication to the well-being of your districts. Your effforts make a significant difference and are invaluable to our collective mission.

Sincerely,

Ann Terry

Staff Report November 13, 2023

Needs Statement (one paragraph)

Based on feedback from the Board's FACA work session on November 1, 2023, the current name and location within the organization was confusing to multiple people and caused problems with getting the District's ambassador program functioning.

Background (the reason(s) why)

As the District's CWPP committee transitioned to the District's implementation committee there were discussions regarding where to place the newly named FACA within the District's organization chart and how to insure and indemnify the District and the volunteers for their proposed activities.

Proposed name change and placement within the District: Proposed name - Fire Prevention, Public Education and Mitigation Proposed placement within the District's organization chart - place the program under the Fire Chief

Options (max of three)

- 1. Adopt the proposed name and placement within the District
- 2. Do not adopt the proposed change

Recommendation (why you believe this is the best option)

Option #1. The District needs to minimize confusion regarding its programs and status of its volunteers. Operations, Fire Prevention, Public Education and Mitigation programs need to be under the Fire Chief.

Fiscal Impact (one time and/or on going)

None, though the budget will need to be adjusted but not amended.

Staff Report November 13, 2023

Needs Statement (one paragraph)

The District does not have a policy regarding the use of grant funding for capital purchases.

Background (the reason(s) why)

This is good fiscal policy for the District. It makes the best use of the community's funds. It will save the District money.

Proposed policy language:

It shall be the policy of the Glacier View Fire Protection District, for any purchase of \$5,000.00 or more, requires the use of grant funds if they are available for the proposed purchase.

Options (max of three)

1. Adopt the proposed policy language

2. Do not adopt the proposed policy language

Recommendation (why you believe this is the best option)

Option #1. The District needs a policy regarding grant funding for capital purchases.

<u>Fiscal Impact</u> (one time and/or on going)

On going savings for the district. To the extent we are successful in our grant applications and the amount of matching funds provided in those grants.
