Secretary's Report

The minutes of November 10, 2025, GVFPD Board of Directors meeting are included in December 8, 2025, Board Packet, as well as the Staff Report, prepared by Secretary Victoria, reporting on the Budget Hearing held prior to November 10, 2025, Regular Board of Directors meeting.

Action Treasurer Thompson moved to approve the Minutes for November 10, 2025, GVFPD Board of Directors meeting, as presented, and the Staff Report, as corrected to include the names of Vice President Groeteke and Treasurer Thompson in the "Board of Directors Members present" section. Director Hudson seconded the motion. No discussion. Motion carried 4-0-1. New Director Laabs abstained.

Treasurer's Report

A detailed Treasurer's Report is included in November 10, 2025, Board Packet.

Treasurer Thompson reviewed Treasurer's Report, beginning with the Monthly Profit & Loss (P & L) sheets, bringing attention to the transfers made for the initial payment on the new apparatus. Following this, Treasurer Thompson then talked about the checks written for greater than \$1000. Included were charges for low level drafting strainers, attorney fees for the University of Denver (DU) Vehicle Storage and Usage Agreement review, the initial payment for the new apparatus, training fees and miscellaneous Fire Department (FD) credit card charges.

Treasurer Thompson then mentioned that the reason the Total Expense line on the Annual P & L sheets indicates a large amount over budget is the purchase of apparatus Squad 2. Without this unplanned purchase, the total expense amount is reduced to about 86% of Budget.

Action Director Hudson moved to approve the Treasurer's Report as presented. Vice President Groeteke seconded the motion. No discussion. Motion carried 4-0-1. New Director Laabs abstained.

Chief's Report

Chief Knox's detailed report is included in December 8, 2025, Board Packet.

President Lamb asked for the Chief to provide updates for the following three topics:

- Adding the Elkhorn Road properties to the GVFPD. The work here is at a stand-still.
- The revisions to the GVFPD Bylaws and Handbook. As previously reported, the revisions have been sent to legal for review, but as of now, have not received a response. Chief Knox indicated that a policy for Paramedic Training has not been added.
- The University of Denver Vehicle Storage and Usage Agreement review. Chief Knox reported that he was unable to meet with DU as planned during December.

During the discussion of these updates, Vice President Groetke asked about the (legal) charges for the Agreement review and modification. Chief Knox replied that the charges were for initial review of the agreement to ensure that the agreement was satisfactory. President Lamb asked if legal's suggestions for the Bylaws and Handbook can be expected at the January 2026 Board of Directors meeting. Chief Knox replied affirmatively but mentioned that he needs some guidance from the Board. President Lamb suggested that a single Board Member could provide guidance to the Chief and asked for a volunteer.

Action Director Hudson moved to nominate himself to meet with the Chief to discuss Handbook and Bylaw modifications and to provide guidance. Once reviewed, it will be reviewed by legal one more time and be ready for the Board at the February 2026 Board meeting. Vice President Groetke seconded the motion. No discussion. Motion carried 5-0.
