Utility 1 -2006 Chevrolet Silverado 2500, 4 door, 4 wheel drive. Has 6 inch lift and topper on bed. 2024

Electric dump trailer

Arranged by Agenda Items

1) Appointment of Secretary

Background: Because of the resignation of Warren Jones the GVFPD Board has no Secretary. Although the Secretary may be a member of the Board, according to statute CRS 32-1-0902(1) the position is not required to be held by a Board member. - Proposed motion: To appoint Amari Victoria as Secretary of the GVFPD recognizing that the Secretary is not a member of the Board and is an employee of the GVFPD.

2) Notice of Vacancy on the GVFPD Board

Background: Although there is no legal requirement to post or publish a notice of vacancy when a Board member resigns, the Board may publish a notice of vacancy. If the Board decides to publish a notice of vacancy, the notice must be open for at least ten (10) days. Those wishing to be considered for appointment to the Board must file a letter of intent with the Board.

- Proposed Motion: To direct the Chief and Administrative Officer to publish a notice of vacancy for the position of Board Member. Publication means posting the notice on the GVFPD website, on the window of the GVFPD office, on "Nextdoor," and any other social media that the Chief and Administrative Officer deem appropriate. The notice of vacancy shall require a letter of intent delivered or mailed to the GVFPD office at 1414 Green Mountain Drive, Livermore, CO 80536. The letter of intent must include the name of the applicant, her/his official mailing address, and telephone and email contact information. The notice of vacancy shall include an open application period for receiving letters of intent from November 17 through December 2, 2025. - Proposed Motion: To direct the GVFPD President to include appointment of a replacement Board member on the agenda for December 8, 2025.

3) Approval of Budget and Appropriation of Funds

- Proposed Motion: To accept the Budget Resolution and appropriate funds for fiscal year 2026.

4) Meeting Dates for Future Monthly Meetings of the GVFPD Board. - Proposed Motion: To remove the motion regarding future Board meeting dates from the table.

- Proposed Motion: From October 3, 2025 "To change the regular monthly meetings of the GVFPD Board, beginning in January, 2026, from the second Monday to the second Wednesday of each month at 7:00pm and direct the Administrative Officer to ensure all the legally required publications, announcements, website posts, and notifications are made to accomplish this change."

From: Warren Jones

To: Lee Lamb

Good talking to you.

Below is the email I sent Tuesday morning on the GVFD email system. I'll follow up with another email later this weekend.

Warren

Good morning fellow Board members,

Some of you may have heard me say I try to never say never. Well, once again I'm back in the paid fire service. Monday I'll start as the interim fire chief in Estes Park. This came up very quickly, less than two weeks from when I was first contacted. I'll be there for about six months plus or minus. They have had three chiefs in less than three years, so they have a number of leadership issues. I expect that a major responsibility will be managing the recruitment and selection of a new permanent chief. They are a large, strong volunteer system with a small paid support staff and my experience here in Glacier View figured heavily in their selection of me for this position.

The last time this came up I found that I couldn't serve two fire departments at the same time. So, I'll be resigning from our board immediately. That will give you time to get the replacement process started at the November meeting. I think David may be the only one who has been through this before. I suggest you consult with Dave Burk, he's been through this several times.

I'm headed up to the Colorado Fire Chiefs conference today and start in Estes Monday. It's been wonderful working with all of you. I'll send more information next week when I get my feet on the ground.

Warren

To: Glacier View Fire District Board Members

November 2025 Chief Report

- GVFD ran 12 calls in October. 10 medicals, 1 MVA and 1 fire alarm.

Administration/facilities

- Please see separate District Admin report

Operations

- Wildland fire update – No changes or updates
- Apparatus Update – Both have been placed into service and we have already used the Engine on a CO alarm call. We have set the Push-in ceremony for Sunday, November 16 at 1 pm if the weather is cooperating. We would love to have you there.
- Tender 1 sale. Tender 1 has been tentatively sold to F4Fire, who is based out of Wellington, CO. We are waiting on a check from them.
- Station 2 water tank project is on hold. GV HOA is applying for a grant to improve the HOA water system near Station 2. If they get it then we may be able to partner up with them to get an operational fire hydrant, so I am waiting to hear this month if they get it and are going forward with the project.
- Grants – We are waiting to hear on the grant for the Exhaust system. I am working on determining the grants to apply for next year and their timelines.
- Training – Training with the Loveland Fire trainers is going well and we have one left with them. We are looking into holding more trainings with them next year, and utilizing the Loveland Fire training grounds for interior/exterior fire training.
- EMS - We have 1 member attending the EMS conference in Keystone this year. This is an important conference to attend to keep us up to date on new EMS information in Colorado.
- Bylaw/handbook updates have been sent to Legal for review. Waiting for their reply or edits.
- DU update – I am meeting with them mid-November, we will work out the details of the agreement and I will add in the changes requested from last month's board meeting.

Respectfully submitted,

Dan Knox – GVFPD Chief

Administrative Officer Report for October 2025

October's Accomplishments

- Put together, emailed, and made copies of the October Board Packet
- Remediate and posted board agenda.
- Applied for the State Contribution for FPPA Volunteer Pension

- Training for FPPA's Volunteer and Old Hire Plan
- Put our ad in the Coloradoan for the Public Hearing of the proposed 2026 Budget
- Worked on the website to update CWPPIT pages
- Processed the Firefighter's Reimbursement checks • Processed all invoices and payments on time
- The Gate is now expanded to fit the trailer.
- Sent out October's Financials
- Worked on getting our Nextdoor account corrected.

CWPP Implementation Team
October Report to the GVFPD Board
November 5, 2025

Ambassador Committee -

Assessments Completed this month: 3 This year: 31 Total: 69
Assessments Pending: 13. (GVM HOA buildings assessment request rescinded)

Mitigation Volunteers -

Performed wildfire mitigation for two days on the S curve on Bald Mountain Drive. The Colorado DFPC large Air Curtain Burner arrived on September 4, 2025. They completed burning on October 26, 2025, and had left the Straw Court location by the end of the month. This effort was considered a great success by everyone involved, and we look forward to their participation next year at the Gate 3 slash pile.

Grant Committee -

Applied for a $45,000 FRWRM grant to purchase a tractor and trailer to haul it. Money from the Community Wildfire Defense Grant will be used as the matching funds for this grant. GVFD will have to spend the money upfront before we are reimbursed. The funds should be spent, and reimbursed, in 2026.

Infor/Edu Committee -

Elisabeth Menning has been working with District Administrator Deborah Lucas to update and improve our CWPP IT website pages, part of the GVFD website.

Working with the North Forty newspaper to report the S212 class.

The Larimer County OEM "Dare to Prepare" Evacuation Virtual Class will be December 11 & 18 from 6-8 pm.

Tom Hausfeld and Warren Jones attended the viewing of the film "Fire Lives Here", presented by the Coalition of the Poudre River Watershed and the Ember Alliance at the Wolverine Farm Publick House.

Tom Hausfeld attended the Town Hall hosted by Larimer County Commissioner Jody Shaduck-McNally at the LC OEM offices in Johnstown.

Firewise Committee -

Paul Burek has proposed scheduling the next Firewise event for June 13, 2026. Fire Chief Knox will check the schedule to see if the Operations side of the house will be available. Paul is also looking to purchase improved road signage to advertise the Firewise event.

Tom Hausfeld is currently pulling together the data to input to the Firewise Certification website to renew our Firewise Community designation. It is due by November 21, 2025.

CWDG -

Work is finished on the North Rim Road Project. The Larimer County Sheriff crew is now working in Cherokee Meadows. The next project is a portion of CR 74e within GVFD. Next CWDG meeting December 10, at noon via zoom.

New Business

The FACO Wildfire Conference will be held in Fort Collins on April 15 & 16, at the Fort Collins Hilton.

Next CWPP IT Monthly Meeting December 2, 2025, at 4:30, at the GVFD Firehouse #1.

Tom Hausfeld

Staff Report

Date 10-03-2025

Submitted by President Lamb

Needs Statement

Review the history of creating the monthly Board Packet and suggest changes to assist the Administrative Officer (AO) in creating, posting, and printing the Board Packet. Ensure that Board members have sufficient time to review the Board Packet before the regular monthly meeting. Ensure that the regular monthly Board meetings do not fall on a federal holiday.

Background

Over the past few years preparation of the monthly Board Packet has shifted from the "District Administrator" to the Board Secretary, and now to the AO. There is often very little time for Board members to review the Packets before the regular monthly meetings. To help the AO in completing this task, the Chief has requested that all documents for the Board Packet be submitted no later than noon on the Wednesday before the monthly Board meeting. Even this guideline raises the question of insufficient time for Board members to review the Packet before the meeting. Changing the regular monthly meeting date will provide enough time for review and avoid overlap with federal holidays.

Options

1. Keep the regular monthly meeting date on the second Monday at 7:00pm
2. Change the regular monthly meeting date to the second Wednesday at 7:00pm
3. Change the deadline for receiving all Board Packet documents to the first Tuesday each month no later than 3:00pm.

Recommendation

Beginning in January, 2026, change the regular meeting of the Board of the Glacier View Fire Protection District to the second Wednesday of each month at 7:00pm and direct the Administrative Officer to ensure all the legally necessary announcements, website posts, and notifications are made to accomplish this change.
