- Update—DU Agreement for Vehicle Storage & Usage
- Mitigation Division Report Committee Reports
- Budget Committee

Unfinished Business

- Action: Remove from Table—Change in GVFPD Board Meeting Schedule

New Business

Public Comments
During Public Comment there will be three minutes per person. The Board cannot get into a discussion about an item. If the Board feels an item needs to move forward it will then be put on a future agenda. For clarification, a public member speaking will need to identify who they represent, such as community member or GVM HOA Board member.

Directors' Comments

Adjournment
Filling a Vacancy on the Board by Appointment

CRS 32-1-905

(2)(a) “Any vacancy on the board shall be filled by appointment by the remaining director or directors, the appointee to serve until the next regular election, at which time, the vacancy shall be filled by election for any remaining unexpired portion of the term. If, within sixty days of the occurrence of any vacancy, the board fails, neglects, or refuses to appoint a director from the pool of any duly qualified, willing candidates, the board of county commissioners of the county which approved the organizational petition may appoint a director to fill such vacancy. The remaining director or directors shall not lose their authority to make an appointment to fill any vacancy unless and until the board of county commissioners which approved the organizational petition has actually made an appointment to fill that vacancy.”

(3) All appointments shall be evidenced by an appropriate entry in the minutes of the meeting, and the board shall cause a notice of appointment to be delivered to the person so appointed. A duplicate of each notice of appointment, together with the mailing address of the person so appointed, shall be forwarded to the division.

Note: “division” means Division of Local Affairs (DOLA). Ann Terry, Executive Director of the Special District Association said that electronic notice must be sent to the County Clerk.

November 18, 2025

To whom it may concern,

I would like to be considered for the open position on the Fire Board. I have served on several non-profit organizations' boards. I also have 10 years experience on the Poudre Valley Rural Electric Association board of Directors. I have lived in GVM for about 6 years and feel like it is time to give back. I would like to be more involved in our community. I am retired so have the time to serve. Thank you for your consideration.

November 30, 2025

Glacier View Fire Protection District
Board of Directors
1414 Green Mountain Drive, Livermore, CO 80536

Dear GVFPD Board,

I am writing to formally express my interest in serving on the Board of Directors for GVFPD. As a resident of Glacier View Meadows with a long-term commitment to this community, I am eager to contribute my time and skills to support our local fire department.

I have excellent availability to attend meetings and fulfill board responsibilities, as I live just down the road from the station and have a flexible work schedule. I plan to remain in Glacier View Meadows for many years, which means any contributions I make to the board will benefit a community I am personally invested in for the long term.

Professionally, I work as a Test Engineer, a role that combines software programming and testing with extensive risk analysis. While I do not have firefighting experience, I believe my analytical background would be valuable to the board when evaluating decisions that impact the fire district. My daily work involves assessing risks, weighing costs against benefits, and making data-informed recommendations: skills that translate well to the strategic planning and resource allocation decisions a board faces.

As soon as I moved to GVM, I started attending HOA meetings and was impressed with how much of the community runs on volunteer work - and want to help out. I am committed to supporting the critical work our firefighters do to keep our community safe. I would be honored to serve on the board and contribute to the department's mission and long-term success.

Thank you for considering my nomination. I am available to discuss my interest further at your convenience.

Sincerely,
Dan Laabs

DRAFT MINUTES

for

November 10, 2025

The Regular Glacier View Fire Protection District (GVFPD) Board meeting was called to order by President Lamb at 7:06 pm.

Board of Directors Members present: President Berton Lee Lamb, Vice President Steve Groeteke, Treasurer David Thompson, Director Henry Hudson.

Fire Department Members present: Dan Knox - Fire Chief, Tom Hausfeld - Community Wildfire Protection Plan Implementation Team (CWPP IT) Coordinator, Amari Victoria - Recording Secretary, Elisabeth Menning - CWPP IT member.

Public Members present: Les Thurman, Fred De Lano - GVFPD Budget Committee Chair.

Action Director Hudson moved to accept October 13, 2025, GVFPD Board of Directors meeting Agenda, as amended, changing September to October in the Secretary's Report section, meeting minutes approval item, without dissent.

Swearing-In of New Members

Chief Knox and CWPP IT Coordinator Tom Hausfeld reported that no members required swearing in during November 10, 2025, meeting.

Secretary's Report

The minutes of October 13, 2025, GVFPD Board of Directors meeting are included in November 10, 2025, Board Packet.

Action Director Hudson moved to approve the Minutes for September 8, 2025, GVFPD Board of Directors meeting, as amended, changing "April 15th & 15th" to "April 15th & 16th" in the Chief's Report, and "Vice President Groeteke" to "Director Hudson" in the Action to approve the recommendation for CWPP IT member reimbursement. Vice President Groeteke seconded the motion. No discussion. Motion carried 4-0.

President Lamb spoke about the unsigned GVFPD Board of Directors minutes, June through September of 2025, which require signature, for inclusion in the Meeting Minutes binder in the Administrative Officer's (AO's) office, as well as publication on the GVFPD website. Due to the departure of Secretary Warren Jones from the Board, it was suggested that Recording Secretary Victoria could sign them, as Recording Secretary, to expedite these requirements.
Vice President Groeteke commented that he was the Secretary during the month of June 2025 and would sign the June 2025 meeting minutes.

President Lamb then referred the Board to the document entitled "Actions for GVFPD November 2026, Meeting" included in the November 2025 Board Packet, item 1), Appointment of Secretary. Please see Board Packet for details.

Action President Lamb moved to appoint Amari Victoria as Secretary of the GVFPD, recognizing that the Secretary is not a member of the Board and is an employee of the GVFPD. Director Hudson seconded the motion. No discussion. Motion carried 4-0.

The Board then directed Secretary Victoria to work with AO Lucas to change the password for the Secretary's email to remove former Secretary Jones' access, and for Secretary Victoria to gain access to the Secretary's emails.

Treasurer's Report

A detailed Treasurer's Report is included in November 10, 2025, Board Packet.

Treasurer Thompson first commented on the contract for the new apparatus:

- Treasurer Thompson spoke with Katie Vangsness of NCL Government Capital and are in agreement about the numbers.
- He remarked then about his dissatisfaction with the interest charged by Midwest, as early completion of the apparatus was no fault of GVFPD, though later withdrew his remark.
- He commented that it seems the amortization table for payment is incorrect, however he has been unable to contact anyone to discuss it.
- $175,000 has been moved from the Certificates of Deposit (CDs) to the GVFPD Money Market account to make payment to Midwest.

Treasurer Thompson reviewed Treasurer's Report, beginning with the Monthly and Annual Profit & Loss (P & L) sheets, bringing attention to account 607 Personal Protection Equipment (purchase of flashlights) and account 665 Apparatus Purchase (gates needed for new apparatus) on the monthly report, and reporting on accounts 570 EMS Supplies (over budget), 606 Wildland Gear (for a large gear order), 651 EMS Training (EMT classes, IV certification, Chief Knox's conference and Paramedic training reimbursement), 665 Apparatus Purchase (squad, lights, inspection and gates for new apparatus) and 698 Equipment Purchase (fire hose and air packs for new apparatus.

Following this, Treasurer Thompson then talked about the checks written for greater than $1000. Included were charges for gates for the new apparatus and miscellaneous Fire Department (FD) credit card charges.

Action Director Hudson moved to approve the Treasurer's Report as presented. Vice President Groeteke seconded the motion. No discussion. Motion carried 4-0.

Prior to the Chief's Report, the Board discussed a vacancy notice for the Board position vacated by former Secretary Jones. A notice will allow GVFPD folks to have an opportunity to apply for the Board position. It was discussed that any conversations with prospective candidates must be in a public meeting. Referrals are allowed. The term for filling the vacancy will be until the next election, May 2026.

Action President Lamb moved to direct the Chief and Administrative Officer to publish a notice of vacancy for the position of Board Member. Publication means posting the notice on the GVFPD website, on the window of the GVFPD office, on "NextDoor," and any other social media that the Chief and Administrative Officer deem appropriate. The notice of vacancy shall require a letter of intent delivered or mailed to the GVFPD office at 1414 Green Mountain Drive, Livermore, CO 80536. The letter of intent must include the name of the applicant, her/his official mailing address, and telephone and email contact

information. The notice of vacancy shall include an open application period for receiving letters of intent from November 17 through December 2, 2025. Director Hudson seconded the motion. No discussion. Motion carried 4-0.

Action President Lamb moved to direct the GVFPD President to include appointment of a replacement Board member on the agenda for December 8, 2025. Director Hudson seconded the motion. No discussion. Motion carried 4-0.

Chief's Report

Chief Knox's detailed report is included in November 10, 2025, Board Packet.

Chief Knox reviewed the Chief's report, beginning with the AO's Report. See AO's report in Board Packet for detailed information. Chief Knox mentioned that the expense for work on expansion of a gate to fit the trailer (an item on AO's Report, was $1,500.

Operations

See Chief's Report in Board Packet for detailed information. Additional information not included in the Chief's Report:

- The current Engine 1 will be called Engine 2 temporarily (new apparatus becomes Engine 1).
- The payment for Tender 1 is expected by November 19th or 20th. Tender 1 should be removed by F4Fire by the end of November 2025.
- The Station 2 water tank project was put on hold by the Chief while Glacier View Meadows Homeowners' Association (GVM HOA) applies for a Colorado Department of Public Health and Environment (CDPHE) grant. The CDPHE is creating five (5) $30,000 grants from $150,000 excess funds.
- Assistant Chief Henderson found a company that sells a different type of exhaust system that is a less expensive filtration system (rather than a system that expels exhaust into the atmosphere outside of the station building). The system uses HEPA and charcoal filters to clean the air of exhaust. The filters require replacement and expected filter cost is $500 annually. Grant money directed at the original system will be redirected towards this new system type.
- There is some discussion within University of Denver (DU) concerning the barrier between the DU bays and the GVFPD bay of the building, as well as some concern about heating the entire building, rather than just the DU bays.
- No report was included in the Board Packet concerning the Elkhorn Road properties joining the Glacier View Fire District, as no progress had been made.

Training

- Chief Knox commented about training also being opportunities for resources and information gathering. A person who has a company that sells fire equipment and also has property in the district, who visits the area would like to visit Glacier View Fire Department (GVFD) and will perhaps donate a monitor to the Department!

Chief Knox reported the number of calls in the previous month (see Board Packet) as well as the total number of calls this year, which is 100, and projected 110-125 total calls by the end of 2025.

Action President Lamb moved to approve the Chief's Report as presented. Treasurer Thompson seconded the motion. No discussion. Motion carried 4-0.

CWPP IT

A detailed CWPP IT Report is included in November 10, 2025, Board Packet.

CWPP IT Coordinator Tom Hausfeld reviewed the report included in November 10, 2025, Board Packet. Additional information not included in the Coordinator's Report:

- There is a small pile of 'bio-char' (ash) at the Straw Court slash pile location, which is available to the public for garden use. This 'bio-char' is available due to the new type of scoop used at the slash pile that does not mix ash with dirt.
- Those who are interested in the Larimer County Office of Emergency Management's (LC OEM's) "Dare to Prepare" Evacuation Virtual Class may sign up on the website.
- The insurance community attended the Town Hall hosted by Larimer County Commissioner Jody Shaduck-McNally at the LC OEM offices in Johnstown and reported that a law passed last year will take effect in February 2026. This law requires that insurance companies include a wildfire code on every quote. This indicates to the consumer the wildfire risk as viewed by the insurance company.

  Currently the wildfire codes are not standardized between insurance companies.
- The Fire Wise event will be held June 13, 2026.
- Though the work on North Rim Road is complete, it was reported that one property owner would like more mitigation work done.
- The CWPP IT group will likely send many members to the Fire Adapted Colorado (FACO) Wildfire Conference in Fort Collins, capitalizing on the Early Bird registration and the lack of need for lodging.

Action Director Hudson moved to accept the CWPP IT Report as presented. Vice President Groeteke seconded the motion. Motion carried 4-0.

Committee Reports

Budget Committee

A detailed Budget Committee Report is included in November 10, 2025, Board Packet.

Budget Committee Chair De Lano summarized the proposed 2026 Budget documents included in the Board Packet. It was noted that the Budget Hearing date and the adoption date on the Resolution to Adopt Budget for 2026 were both incorrect and will be updated.

President Lamb read the Resolution to Adopt Budget for 2026 into the record.

Action Vice President Groeteke moved to accept the Budget resolution (Resolution to Adopt Budget for 2026) and appropriation of funds for the fiscal year 2026, as amended. Treasurer Thompson seconded the motion. Motion carried 4-0.

Unfinished Business

Bylaws and Handbook Revisions:

As reported by Chief Knox during the Chief's Report section of the GVFPD Board of Directors meeting, the Bylaws and Handbook revisions have been sent to legal for review. A response from legal is still pending. Approval of the GVFPD Bylaws and Handbook has been moved to December 8, 2025, GVFPD Board of Directors meeting agenda.

Remove from Table – Change in GVFPD Board Meeting Schedule:

Not removed from table as this will be discussed, as well as the establishment of the 2026 Board Meeting Schedule at December 8, 2025, Board of Directors meeting.

University of Denver Vehicle Storage and Usage:

As reported by Chief Knox during the Chief's Report section of the GVFPD Board of Directors meeting, he is meeting mid-November to work out details of the agreement.

New Business

No New Business items appear on the November 10, 2025, meeting agenda.

Public Comments

These comments are paraphrased.

- Speaking as a GVFPD member, Les Thurman commented that lots of work has been done, in many cases small but important things, things that keep the machine moving.
- Speaking as the CWPP IT Information Officer, Elisabeth Menning commented that perhaps official documents (in this case, referring to the application for Board Director document), should use the gender-neutral terminology 'their', rather than gender-specific terminology like 'he/she', or 'her/him'.
- Fred De Lano, speaking as a GVFPD member, mentioned that he had spoken with a person at the 'old-geezers breakfast' he attends about the open Board position. This person did show some interest in applying for the position, but left it up to the person to act. This person resides at 'Gate 0' (not within the GVM HOA), however within the GVFPD.
- Fred also mentioned that the GVM HOA is holding a Special Board meeting to address concerns about the current water situation with the HOA on November 11, 2025, and is holding a Regular Board meeting on November 22, 2025.
- Elisabeth Menning (who is on the GVM HOA Board) mentioned that the only detail she knew about the Special Board meeting was that it was urgent.

Directors Comments:

Director Hudson

- Director Hudson commented that he hopes that a replacement for the Board vacancy can be found.
- He also expressed thanks to the 1st responders, as well as Fred De Lano (Budget Committee Chair), Elisabeth Menning (CWPP IT Information Officer) and Amari Victoria (Secretary), for their work.

Treasurer Thompson

- Treasurer Thompson commented that he was glad to see the new trucks in service.
- He also praised the people at the bank (that GVFD does business with).

Vice President Groeteke

- Vice President Groeteke gave kudos and thanks to the 1st responders, the CWPP IT group, as well as Amari Victoria as the new GVFPD Secretary.

- He gave kudos to President Lamb for the Board Packet and well-run Board meeting, as well as to all Board members and the Budget Committee, and Chair Fred De Lano.

President Lamb

- President Lamb commented that he considers Chief Knox an excellent Fire Chief.
- Additionally, he expressed thanks for the CWPP IT group, and Coordinator Hausfeld.
- He reiterated that the GVFD is very much a 'professionalizing' organization, as we are a government office (agency). As such, President Lamb expressed his uneasiness about the office not being staffed at the advertised hours (which are Tuesday-Thursday, 9:00 AM – 3:30 PM with a half-hour lunch between 12:00 PM and 12:30 PM). [Secretary note: the Chief reported that AO had required time off, and the absence was not able to be filled.] President Lamb stated that nearly anyone can be 'staff' the office, whether it was the AO, the janitor, a Board member or volunteer, that someone must be there to at least answer the phone.
- An observation made by President Lamb was that a 5th Board Member is a 'must-have'.
- Speaking to the newly assigned Secretary Victoria, President Lamb emphasized that the first order of business was to take care of the prior months' unsigned Board Meeting Minutes (as approved) by signing them, and making sure that the AO places them in the GVFPD Minutes binder, having the AO change the password to the Secretary's official email account to restrict access by the former Secretary and to gain access to the Secretary's official email account.
- President Lamb reminded all present that he would be in the firehouse the following Thursday for the scheduled agenda setting for the December Board meeting. He mentioned that he will no longer create any 'pre-draft' agendas.
- To conclude, President Lamb commented that he was pleased with the district, blessed for Chief Knox, the Budget Committee and the Board Members.

Action Director Hudson moved to adjourn the regular meeting of the GVFPD Board. Treasurer Thompson seconded the motion. Motion carried 4-0.

President Lamb declared the meeting adjourned at 8:52 pm.

Respectfully Submitted,

Amari Victoria, Secretary

Board Actions

- Approved the appointment of Recording Secretary Amari Victoria as Secretary of the GVFPD, recognizing that the Secretary is not a member of the Board and is an employee of the GVFPD.
- Directed the Chief and Administrative Officer to publish a notice of vacancy for the position of Board Member. Publication means posting the notice on the GVFPD website, on the window of the GVFPD office, on "NextDoor," and any other social media that the Chief and Administrative Officer deem appropriate. The notice of vacancy shall require a letter of intent delivered or mailed to the GVFPD office at 1414 Green Mountain Drive, Livermore, CO 80536. The letter of intent must include the name of the applicant, her/his official mailing address, and telephone and email contact information. The notice of vacancy shall include an open application period for receiving letters of intent from November 17 through December 2, 2025.
- Accepted the Budget resolution (Resolution to Adopt Budget for 2026) and appropriation of funds for the fiscal year 2026, as amended.

Acronyms

AO – Administrative Officer
CD – Certificate of Deposit
CO – Carbon Monoxide

NEXT BOARD MEETING DECEMBER 8, 2025

Staff Report

Date 11/10/2025

Submitted by Secretary Victoria

GVFPD 2026 Budget Public Hearing Staff Report

Board of Directors Members present: President Berton Lee Lamb, Director Henry Hudson

Fire Department Members present: Chief Dan Knox, CWPP IT Coordinator Tom Hausfeld, Recording Secretary Amari Victoria, CWPP IT Member Elisabeth Menning, Budget Committee Chair Fred De Lano

Public Members present: Les Thurman Quorum

reached at 6:44 PM.

GVFPD 2026 Budget Public Hearing Opened by President Berton Lee Lamb at 6:45 PM.

Budget Committee Chair Fred Delano summarized some of the major differences in the 2026 GVFPD Budget:

- Property assessments account for 90% of the 2026 GVFPD Budget.
- $50,000 moved to the Capital account (due to lower assessment amount).
- $100,000 will be moved to the Capital account in 2026.
- A major increase occurred for insurance costs.
- The 2025 carryover to 2026 is projected to be $151,000.
- The budgeted carryover for 2026 is $140,000.

Public Members were allowed and encouraged to present their comments concerning the GVFPD 2026 Budget.

The only public member in attendance, Les Thurman, had no questions or comments.

President Lamb inquired if the Administrative Officer (Deborah Lucas) if any members of the public had stopped by the Station office to view the proposed 2026 GVFPD Budget. Chief Knox replied that no public members had.

President Lamb mentioned that due to a discrepancy in the reported GVFPD 2026 Budget Public Hearing scheduled times, that the Budget Hearing would continue until 7:05 PM, should any public members arrive at 7:00 PM.

GVFPD 2026 Budget Public Hearing Closed by President Berton Lee Lamb at 7:05 PM. Respectfully

Submitted,

Amari Victoria

Amari Victoria, Secretary

To: Glacier View Fire District Board Members

December 2025 Chief Report

- GVFD ran 15 calls in November. 9 medicals, 1 false alarm, 1 smoke detector, 1 CO alarm, 1 illegal burn, 1 deck fire and 1 Landing zone for mutual aid.

Administration/facilities

- Please see separate District Admin report

Operations

- Wildland fire update – No changes or updates, happy to see some snow
- Apparatus Update – The Push-in ceremony was held on Sunday, November 16. We had good weather, and it went well. We had all but 1 member attend, as well as some community and Board members. The CD's have been cashed and we paid the $242,000 that we had to pay. We will owe an annual payment starting in January of approximately $34,000, It has been budgeted for 2026.
- Tender 1 sale. Tender 1 has been sold to F4Fire for $15,000. We have been paid, and they picked up the truck. We have to get a duplicate title for them, which Deborah is working on.
- Deborah is taking on a task organize and ensure that all of our apparatus titles and paperwork are filed properly and locked up.
- Station 2 water tank project is on hold. GV HOA is applying for a grant to improve the HOA water system near Station 2. We are still waiting to hear if they get the grant
- Grants – We are waiting to hear on the grant for the Exhaust system. We are working on finding grants to apply for next year and their timelines.
- Training – We are working on our training plan for 2026, we will continue to include sending members to outside trainings, and we are working on a plan to use Loveland Fire's training ground and trainers a few times next year in order to elevate our skills and knowledge.
- EMS – We received 5 blood glucose monitor upgrades and 2 bag-mask upgrades from UC Health for free. We ran a lot of high acuity EMS calls this year, and it was helpful having many EMT's on the department. We will plan to send 2 people next year to EMT class if available. We are planning to upgrade the ambulance in 2029, as it will be 20 years old. We will begin looking at possible replacements, cost and grant opportunities in 2026 due to the amount of time it takes to order and replace apparatus.
- Bylaw/handbook updates have been sent to Legal for review. No update

- DU update – We have not been able to meet yet, we are trying to align our schedules to meet this month and work out the details of the agreement. I will add in the changes requested from Octobers board meeting.
- We are in the planning stage for the Holiday/Christmas party, we plan to have it in January again, as it seemed to be better timing since December is a busy month.
- We have had 2 of our probationary members complete their probationary lists, and they have been voted in as full members. We are going to begin recruiting a new class of 3-5 people in January to help boost/maintain our membership at the department.
- In January, I will report on an overview of 2025's total call volume, accomplishments, issues, and plans for 2026.

Respectfully submitted,

Dan Knox – GVFPD Chief

Administrative Officer Report for November 2025

November's Accomplishments

- Put together, emailed, and made copies of the November Board Packet
- Remediate and posted board agenda.
- Working on remediation of the approved minutes to get them posted.
- Processed all invoices and payments on time
- Worked on updating FPPA information
- Looking into Venue's to have the Holiday/Christmas party.
- Sent out November's Financials
- 7,591 November pageviews on our website

***** We received the Certification of Valuation by Larimer County Assessor. There was no change to the previous year's net total taxable assessed valuation.

CWPP Implementation Team
December Report to the GVFPD Board
December 3, 2025

Ambassador Committee -

Assessments Completed this month: 4 This year: 35 Total: 73
Assessments Pending: 7

Mitigation Volunteers -

Performed wildfire mitigation for one day on the S curve on Bald Mountain Drive. Some final work needs to be done to complete this activity.

Grant Committee -

No news on the $45,000 FRWRM grant to purchase a tractor and trailer to haul it. Money from the Community Wildfire Defense Grant will be used as the matching funds for this grant. GVFD will have to spend the money upfront before we are reimbursed. The funds should be spent, and reimbursed, in 2026. We should be notified by Feb 15, 2026.

Infor/Edu Committee -

Elisabeth Menning has been working with District Administrator Deborah Lucas to update and improve our CWPP IT website pages, part of the GVFD website.

Firewise Committee -

The next Firewise event will be June 13, 2026. Paul Burek is looking to purchase improved road signage to advertise the Firewise event.
Tom Hausfeld pulled together the data and we were awarded our 2026 Firewise Certification designation.

CWDG -

The Larimer County Sheriff crew is now working on a portion of CR 74e from Springmeadow Drive west to Alpine Elk Ranch Road within GVFD.

Next CWDG meeting December 10, at the GVFD Firehouse. We will take a road trip to see the finished work on North Rim Road.

New Business

The FACO Wildfire Conference will be held in Fort Collins on April 15 & 16, at the Fort Collins Hilton.

Next CWPP IT Monthly Meeting January 6, 2025, at 4:30, at the GVFD Firehouse #1.

Tom Hausfeld
Coordinator
Community Wildfire Protection Plan Implementation Team
GVFD
